

# Wyre Solutions

We make it **our business**,  
to know **your business**.

# ABOUT WYRE SOLUTIONS

Founded in 2011, Wyre Solutions is a UK-based, independently owned company that has established itself as a trusted name within the IFS ERP Ecosystem. A leader in the Construction industry, Wyre excels in providing cutting-edge, tailored solutions for the unique challenges and trends presented within the industry alongside boasting a rich history of experience within the Manufacturing and Services sectors.

With over 100 years of collective industry and IFS experience, Wyre's exclusive focus and commitment to empowering businesses in their ERP solidifies them as the IFS Partner of Choice for excellence and innovation.

# OUR VALUES

## People

Our people are at the heart of the business. We pride ourselves in creating established connections with our valued customers and clients to ensure we provide them with the solution and support they require for their business.

## Learning

At Wyre Solutions, we believe learning is the key to our success. Continuous development unlocks and empowers our team to think outside the box, creating solutions in a fast-moving sector and evolving the way we work.

## Community

We share a sense of community within the region we are based. As a continuously growing company, we will forevermore create opportunities to provide the next generation with a vital stepping stone into the world of technology.

# SOFTWARE OF CHOICE

Wyre Solutions specialises exclusively in consulting and delivering services centred around IFS, positioning ourselves as a niche expert in the realm of Enterprise Resource Planning (ERP). Our unique selling proposition (USP) lies in our unwavering focus on IFS, allowing us to cultivate unparalleled expertise and depth in understanding the intricacies of this powerful application. This singular dedication translates into a distinct market advantage, enabling us to offer tailored solutions that cater specifically to clients utilising IFS or those seeking a best-in-class ERP system. By concentrating our efforts solely on IFS, we ensure that our clients receive the highest quality service, benefitting from our in-depth knowledge, experience, and commitment to delivering excellence in the rapidly evolving landscape of ERP solutions.

# OUR PARTNERSHIPS

Vital partnerships and integrations are the cornerstone of innovation and progress in today's interconnected world which is why we have carefully selected these providers as trusted extensions of our services, creating a partner ecosystem that compliments your business needs and IFS Cloud.

# IFS INDUSTRY FOCUS

As a versatile ERP solution, IFS Cloud is utilised across these six key verticals: Aerospace & Defense, Manufacturing, Construction & Engineering, Service Industries, Energy, Utilities & Resources, and Telecommunications.

# WYRE INDUSTRY FOCUS

With our particular focus in the construction industry, the IFS Cloud solution covers a range of sub-industries within the construction sector and supports you in your development as you unlock new areas, leveraging the trends and opportunities that arise in construction for sustained growth and innovation.

# WYRE IFS SERVICES

As part of our service offerings, Wyre Solutions delivers comprehensive services, specialising in expert consulting and tailored solutions exclusively centred around IFS, ensuring optimal performance and success for our clients. There is no “one-size-fits-all” solution and so, our team pioneer solutions by learning about your business principles and processes to ensure a personalised service to revolutionise your business.
