STEP 5 - PRESENT YOUR UNIT PROPERLY

Good photos create confidence and improve the quality of your advert.

EXTERNAL PHOTO GUIDE

-  Take a clean front three-quarter view
-  Photograph both sides and the rear if possible
-  Show doors open where useful
-  Use good daylight
-  Remove clutter and distractions
-  Include steps, tow gear or extras if included

INTERNAL PHOTO GUIDE

-  Tidy the inside before taking photos
-  Take photos from the corners to show space
-  Use natural light where possible
-  Show key features such as electrics, heating, toilets or kitchen areas
-  Add close-up photos of standout features
-  Avoid dark, blurry or cluttered images

Best results:

Use a mixture of wide shots and detail shots to give buyers a complete picture.

STEP 6 – WRITE A BETTER ADVERT AND CHECK IT IS LIVE

A well-written advert and final check can make all the difference.

1. DESCRIPTION TIPS

- Start with the unit type and size
- State condition clearly
- List the main features and layout
- Mention location and availability
- Add delivery or collection details
- Be honest and specific

2. FINAL CHECKS BEFORE AND AFTER PUBLISHING

- ☒ Check the title
- ☒ Check price and contact details
- ☒ Check your photos are in the right order
- ☒ Check spelling and key measurements
- ☒ Preview the listing
- ☒ Make sure the advert appears in the correct category
