CHOOSE THE RIGHT CABIN TRADER OPTION

Cabin Trader has three commercial routes. Choose the one that matches what you want to sell, promote or achieve.

01

STANDARD SELLER

From £55 + VAT

For businesses advertising individual cabins, containers, modular buildings, welfare units or ancillary stock.

Buy listing credits in advance. Volume pricing becomes progressively lower as you purchase more credits.

02

FEATURED SERVICE SHOP

£155 + VAT / month

For service providers and industry businesses that want a professional branded presence without listing multiple stock items.

Minimum initial term: 3 months. £465 + VAT invoiced in advance.

03

PREMIUM SERVICE PARTNER

£330 + VAT / month

For specialist providers wanting prominent positioning, limited category availability and active Cabin Trader promotion.

Minimum initial term: 3 months. £990 + VAT invoiced in advance.

Simple rule:

Sell stock with listing credits. Build a service presence with a Featured Service Shop. Choose Premium Service Partner when you want Cabin Trader to actively promote your business.

STANDARD SELLER

LISTING CREDITS

One listing credit places one individual advert. Pricing is progressive: only the credits within each tier are charged at that tier rate.

CREDIT RANGE	RATE PER CREDIT	CUMULATIVE TOTAL
1 - 25	£55 + VAT	25 credits = £1,375
26 - 50	£50 + VAT	50 credits = £2,625
51 - 75	£45 + VAT	75 credits = £3,750
76 - 100	£40 + VAT	100 credits = £4,750

HOW PROGRESSIVE PRICING WORKS - 51 CREDIT EXAMPLE

First 25 credits: $25 \times £55 = £1,375$
Next 25 credits: $25 \times £50 = £1,250$
51st credit: $1 \times £45 = £45$

TOTAL
£2,670 + VAT

FEATURED SELLER STATUS INCLUDED AT 51+ CREDITS

Once a seller reaches 51 listing credits, Featured Seller status is included automatically as part of the package.
