do event hire.

Qdos Event Hire provides a wide range of mobile toilets, showers and offices with superior service levels to the events industry. Qdos is part of the Newship Group, a well-established privately-owned group of manufacturing, distribution and hire companies.

Qdos prides itself on being able to provide solutions to suit all manner of events and budgets. We are proud to work with a diverse range of clients, from independent event organisers to large production companies and major sporting bodies.

Qdos has successfully delivered units to many high profile events; including the PDC World Darts Championship, Royal Windsor Horse Show, Glastonbury, New Forest Show, Festival of Speed, Winter Wonderland, Rugby World Cup, Metropolitan Police, Notting Hill Carnival and numerous private weddings and parties.

Qdos offers a wide range of male, female & disabled trailers units available in both self-contained fresh water and re-circulated flush options or mains connections.

All units are supplied with vanity wash basins, electric lighting and come fully equipped with hand towels, soap, toilet rolls and tidy bins.

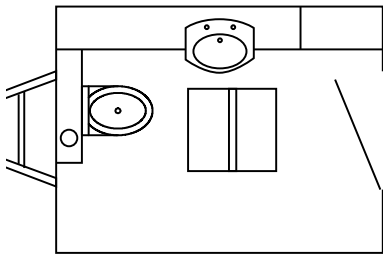

Luxury Vacuum Toilet Trailers

Mobile Showers & Wet Rooms

Qdos mobile showers and wet rooms provide that extra bit of luxury at longer term events and can be a welcome provision to event holders and guests. Each shower cubicle provides a private and spacious changing and drying space as well as all the standard washing facilities. All our modern units provide 4 cubicles and their seamless design makes them easy to clean.

The hot showers are gas heated and all they require are a mains water supply and suitable drainage, either mains or tank.

Mobile Office Units

Qdos provides a wide range of mobile office accommodation. All our fully insulated units are steel anti-vandal cabins with lighting, heating and power points. Sliding windows make our offices ideal for use as a mobile ticket office.

Designed for use in applications such as offices, canteens, drying rooms or storage they are suitable in almost any location.

Single & Disabled Plastic Toilets

Qdos has a large range of single self-contained, free standing toilet units that provide a versatile and cost effective solution for all events. These units don't require connection to water or drains, can be serviced and cleaned regularly throughout your event and are available with hand sanitiser units as standard.

Qdos' ethos is very simple:

'To deliver outstanding service and products that exceed our clients' highest expectations'
